About Us

Welcome to SEASON 10 at Gravity Dance Company! Gravity Dance Co. was founded in 2010 by Owner and Artistic Director Shiquita Sargent. Shiquita is an award-winning dancer, choreographer and 2x Cancer Survivor from Long Beach, Ca. What once began as a contemporary dance company composed of 5 professional dancers later became a full-fledged studio in 2012 offering dance classes, choreography and instruction to children and adults alike. With 17 years of experience in the professional dance, music and video industries, Ms. Sargent, or, “Ms. Q” to her students, brings all of her expertise, talent, passion and desire to spread love to each stage she graces and every student she touches. Developing a strong bond with each of her dancers is what she takes pride in. Her desire to create a dance company that catered to the specific needs of the community, while providing a welcoming environment to dancers of all ages, levels, capabilities and backgrounds is what inspired this company’s existence. Here at Gravity, we pride ourselves with intimate class settings, small student- teacher ratios and a family atmosphere. Each and every dancer receives the necessary attention to cultivate the artist lying within them. Our work is based on the idea of dance as an additional resource to general education. The performing arts have been proven to heavily contribute to intelligence and development. There are a plethora of benefits to you exploring the captivating world of the arts. This company knows no bounds and we are so happy that you decided to bring your inner aspiring artist our way!

Our mission is to provide the proper technique, poise and etiquette necessary to cultivate well-rounded young artists, emphasizing professionalism and self- respect. We are committed to dance education and responding to each student’s needs, abilities and rates of assimilation.

Our goal is to help each student develop confidence, muscle strength, coordination, musicality and self-expression. At Gravity, we provide a noncompetitive and supportive environment where students can feel secure to explore the world of dance. The benefits of joining Gravity Dance Company stem well beyond the walls of the studio.

ENROLLMENT & PAYMENTS

Once enrolled in classes for September, which is the start of a new season, enrollment is to be maintained for the full registration period until August of the following year, culminating with our annual recital. The best way for students to get the most out of their training and experience is to consistently attend classes for a full seasonal year. If enrollment is made mid-year, your 1 year starts from the date of enrollment. With this policy, your dancer will be able to grow and learn the art of dance and train with our curriculum that is established to progressively strengthen each artist, one class at a time.

Families who withdraw from the studio prior to the conclusion of the season will still be responsible for all tuition and fees for the rest of their contract; you are agreeing to this upon confirming your enrollment and acknowledging all studio terms and conditions via our website. Dancers must maintain enrollment from September – August, including participating in our annual Holiday Show and Summer Dance Concert. You must remove your dancer from our Program in August to prevent from being contracted in for another seasonal year come September.

REGISTRATION FEE: All students are required to pay a non-refundable registration fee, due when registering and/or at the beginning of a new season.

\$35.00 – New Students who are enrolling for the first time at Gravity Dance Company.

\$25.00 – Returning Students from a previous season, additional siblings or any student who has not taken class in 30 days or more.

PICK-UPS: We ask that you come to the class to pick up your child. We do not allow students to walk to the car alone. Only persons listed on your student's registration form will be permitted to take your student home. If a person NOT listed on your student's registration form needs to pick them up, you must notify the studio via email. Students will not be released to friends, family or parents of other students without the written notification of the student's parent. There are no exceptions to this. We have this policy in place for your child's safety.

POLICIES AND PROCEDURES

Registration: All families are required to create an account on GO MOTION, as well as downloading the GO MOTION app. This is where you register for classes and keep track of your dancer's attendance, upcoming events and monthly payments. All families are required to place a card on file for autopay to enroll at the studio.

Attire: Dancers must be in the appropriate attire and follow dress code at all times. Dancers must have a spill-proof water bottle and come to class prepared with all shoes and necessary accessories. If dancers are not in the proper attire, they will be asked to sit out.

Hair: Please make sure that hair is up and out of the face for classes and in a bun for ballet. If your dancers' hair does not go into a bun, please find a way to secure it back and out of the face. For performances, photos and shows, you must adhere to the given hair specifications as outlined in the show packet that you will receive. Braids are not permitted for any performances, photos, shows, recitals or other events where dancers are in costume performing or as otherwise noted. All dancers must be uniformed.

Arrivals: Students may arrive no more than 5 minutes early to class. Students may NOT be dropped off in the parking lot; they must be walked to the studio door. This is very dangerous as Wardlow Plaza and our outdoor classes are in high traffic areas and the staff will not be held responsible for students outside of where classes are held.

7 Gravity Dance Co. Parent Handbook 21-22

Gravity Dance Co. (562) 351-6559 | www.gravitydanceco.com | gravitydancecompany@gmail.com

Early Drop-offs/Late Pick-Ups: Early drop-offs (more than 5 minutes early to class) will result in a fee of \$1/minute and will be billed to your account. Late pick-ups are when students are picked up more than 10 minutes after class. This will result in a fee of \$1/minute which will also be billed to your account. We are responsible for students at the studio at all times and if you drop your student off early, or leave them late, our staff are not in the position to monitor them while teaching/working.

Late Students: Students must be on-time and participate in the warm-up. Students who are more than 5 minutes late may not participate in class and will be required to sit down and take class notes. If your student misses the warm-up, they risk injuring themselves while dancing with cold muscles. This policy is in place for your child's protection.

Absences: Tuition will not be prorated or credited for student absences. Make-up classes are available through the end of that month by attending class in the same level/age group only. During show season, make-up classes are not available as each class is working on show choreography, which isn't the normal class curriculum and therefore isn't appropriate for a guest student to take. They will not know what the class has been working on. *Excessive absences may result in removal from the upcoming production or recital*, or removal from the team for Competition team members.

Private Lessons: Private lessons/classes are to be paid in advance either bi-weekly or monthly, or the teacher will not be able to teach the class. Private lessons are booked online only via our website.

Closures/Outings/Events: GDC participates in Charity Events, Performances and Events that may conflict with class time. In the event of class cancellation, students may take a make-up class as outlined above. The studio will be closed during all major Holidays. There are some months during the year with 5 weeks (as opposed to 4-week intervals tuition is based on) and tuition does not increase; therefore, classes missed due to Holiday closings/cancellations balance out in the end. Tuition credit will not be given. When the studio is closed after a show, and classes are not held as regularly scheduled, class hours are made up with the rehearsal hours

8 Gravity Dance Co. Parent Handbook 21-22

Gravity Dance Co. (562) 351-6559 | www.gravitydanceco.com | gravitydancecompany@gmail.com

that take place to prepare for the show, which exceed the hours of most student's monthly class time.

Refunds: There are no refunds or credit for Registration, Tuition, Recital, Recital tickets or Costume fees, etc. Once registered, the student/parent will be responsible for all balances owed. We do not pro-rate.

Class Cancellations/Closures: Gravity Dance Company reserves the right to cancel or close any scheduled classes due to low enrollment, lack of interest or in the event of an unforeseen event. Class cancellations/closures will be at the director's discretion. All students will be given the option of an alternative class for closed classes or a make-up for cancelled classes, if available.

Liability: Like any other physical sport or activity there is always the element of risk. By attending GDC classes, students and parents are agreeing that Gravity Dance Company, its teachers, landlords, and employees are not responsible for any claims or injuries in the dance studio, outdoor classes or surrounding properties. This is an agreement each Parent/Guardian or Adult students enters in upon enrolling and signing registration and release forms.

Parent Observation: In studio classes are closed to parents unless otherwise noted. This limits distraction. For our outdoor classes, we ask that parents bring chairs or blankets and watch quietly from the sidelines. Please do not correct or engage with your dancer while they are in class. Our instructors will do the teaching and correcting.

Class Schedule: Our class schedule is year-round. The schedule is set to change once every season, usually occurring in the fall. Adjustments will be made intermittently at the directors' discretion.

Studio Use by Parents: Aside from drop-offs/pick-ups, the studio dance floor, back area and restroom are for use by dancers only. Since we have a single-room facility, we ask that parents remain outside unless they are conducting business. Do not enter the studio during classes. Our Bathroom is for use by dancers only, as walking across the dance floor to the restroom

or director's office is very distracting to our dancers and therefore is not allowed. Please call or email the director if you need to speak.

Windows/Doors: Please make sure that your guests and small children are not touching, knocking or banging on our windows or sticking their fingers through the door mail slot. This is both dangerous and inappropriate as we do our best to keep our windows clean for your viewing pleasure.

We thank you in advance for following our policies and procedures.

Productions & Performances

Gravity puts on 2 annual productions for our students to showcase their hard work and training during the summer and winter. **These productions are a requirement for all dancers.** We also participate in shows, performances and events within the community- these events are only required for our competition teams and performing groups. Refer to your calendar for scheduling and information. Below is pertinent information on our productions and performances.

Recital: All students registered in classes will be required to participate in our semi-annual recitals. Recital participants will be required to attend all rehearsals designated for the show(s) they are performing in. Dancers are only allowed a certain number of absences to be eligible for our shows. Details will be sent via the parent handbook issued when show time comes around. Unless signed up as a Volunteer "Dance Mom/Dad", parents must attend the show as audience members only and will not be permitted into the theater until show time. Professional photos/videos will be made of the shows and may be purchased. Each family will receive a Recital Packet with pertinent details and information prior to the show. The studio will close after the show in certain seasons. Though regularly scheduled classes will not take place, the rehearsal hours will take place of class hours and tuition will remain the same.

Recital Fee: All participating students are required to pay a non-refundable recital fee per production. This participation fee will assist in covering the cost of the theater, scenery, props, programs, tickets, etc. As a fast-growing

10 Gravity Dance Co. Parent Handbook 21-22

Gravity Dance Co. (562) 351-6559 | www.gravitydanceco.com | gravitydancecompany@gmail.com

company, we need to provide a venue that houses each of our guest and attendees comfortably. A late fee will be charged for any deposits not received by the established due date.

Costumes: A non-refundable costume fee is to be paid for each dancer participating in any given production, for each dance they're performing in. All costume deposits must be paid by the first costume fitting. Check your calendar for exact dates. Costumes that are not paid in full by the deadline will not be ordered under any circumstances and the dancer will not be able to perform. All costumes are made-to-order by the manufacturer, therefore no late orders will be placed as they will not arrive in time for the production. Once an order is placed, you are required to pay the full amount. Costumes that are loaned out are property of the studio. Loaner costumes that are not returned will be billed to your account.

Hair: Our staff creates fun, show-stopping hairstyles for our events. You will be notified of the hair style when you receive your Show Information packet. You must adhere to the given hair specifications as outlined in the show packet that you will receive. Braids are not permitted for any performances, photos, shows, recitals or other events where dancers are in costume performing as all dancers must be uniformed.

Performance Opportunities: From time to time students are asked to do additional performances other than the recital. All students will be informed of these opportunities and are encouraged to take advantage of them. Performing at various events is a privilege and can also lead to being placed in the performing group.

Performing Groups & Competition Teams: All Performing Group and Competition students are hand selected through audition by a panel of judges, the director and other instructors and are placed accordingly. These students perform at local events and also compete at various competitions representing Gravity Dance Co. In 2015, our competition team was featured on Lifetime's hit show, "Dance Moms". We currently have 6 competition teams and conduct auditions every summer for the following year.
