

STUDIO REQUIREMENTS BY AGE AND LEVEL

Littles (ages 2-3)

We offer **"My Little & Me" Creative Movement** class for toddlers ages 2-3. No other class is required. This class is to help acclimate little ones with music, mobility, cognitive skills as well as the studio setting. With games, props, movement exercise and a class structure catered to their imaginative mind, this course is the perfect start to the journey in dance! This is the only required class for this age group.

Tiny Dancers (ages 4-7)

Our **Tiny Dancer** classes are for our early childhood aged dancers 4 - 7 years old. Tiny dancers must take one of the Saturday "Combo Class" blocks, (fulfilling 1 of the 4 class minimum requirement and our ballet requirement) and may select any other 3 classes to complete the minimum requirement. Dancers are welcome to take as many classes as they like.

Level I/Beginner Dancers (ages 8+)

Level One classes are for beginners with little to no dance experience prior, who are older than our tiny dancer program participants. This level is also available to dancers who are currently in our tiny dancer program but show proficiency to take classes at the next level. However, they must take both Tiny dancer/Combo class to be eligible for level I. If your dancer is just starting out with training, and is age 8+, this is where they should begin, with Ballet I to fulfill the ballet requirement.

Level II/III Intermediate Dancers

Level II classes are for dancers who have dance experience prior to joining the studio or are at a similar level in their training/experience with us. **Level III** classes are for dancers with a minimum of 3-4 solid years dance experience and proficiency in dance vocabulary and technique in the genre they are registering for. Dancers in both levels must take Ballet II or Ballet III to fulfill our ballet requirement.

Level IV/Advanced Dancers

Level IV classes are for advanced dancers only with 5+ years of training (or strength at the advanced level). Dancers must receive prior approval to enroll in these courses. Dancers must take Level IV Ballet to fulfill the ballet requirement.

If you are interested in being on one of our performance teams, auditions are held annually in June.
